

Standard Rate Sheet BNA

- \$100 per man hour, one hour minimum per call out.
- \$200 call out fee during normal business hours. (M-F 8:00am to 4:30 pm)
- \$400 call out fee during after hours, weekends and holidays.
- Oxygen/Nitrogen Service Fee of \$90
- Jobs that require additional technicians will receive an additional \$400 call out for each additional technician required. (This is rare as most jobs require only one technician and will be performed by the tech on duty)
- A Miscellaneous charge of 10% of the callout fee and a communication fee of \$15 are charged to cover shop costs and fax/cell phone charges as we often receive very large faxes for MM references.

AMS is dedicated to providing you the best service possible; these rates reflect the cost of providing that level of service.
