

A&P/IA AIRCRAFT MAINTENANCE BUSINESS OPPORTUNITY

**Build and Grow Your Own Aircraft Maintenance Operation from Our
Newly Renovated FBO Facility**

Four Rivers Aviation, the FBO at Barkley Regional Airport in Paducah Kentucky (KPAH), is seeking a licensed Airframe & Powerplant Mechanic with Inspection Authorization (IA) to establish and operate a maintenance business at our newly renovated facilities.

WE PROVIDE:

- FREE leased maintenance and shop space
- Funding assistance for specialty tooling and equipment
- Marketing support and business development funding
- Access to a growing customer base of piston and turbine aircraft operators
- Professional, modern FBO facilities

POSITION REQUIREMENTS:

- FAA Airframe & Powerplant Certificate
- Inspection Authorization (IA) preferred
- 24-hour call-out availability
- Ability to work on both piston and turbine aircraft
- Support occasional regional jet maintenance needs
- Ability to maintain Ground Service Equipment (GSE)
- Commitment to safety, customer service, excellence
